SCHOOL CLOSURE POLICY

As a rule, when PPS cancels school due to unforeseen circumstances, such as inclement weather or power outages, the Enrichment programs will also be canceled. However, there are times when the decision may be made to still hold all or some enrichment classes that day. In the event that classes have been canceled, a teacher or off-site business may have the option to hold class. Please check the EFL website (ppscammed.org), your email and/or contact the business where your class is scheduled to be held.

Please have a current email address in your profile.

REFUND POLICIES

A full refund will be issued if it is necessary for us to cancel a class/program because of insufficient enrollment. If the enrolled student calls within three business days before the first class meeting, a refund will be issued, minus a \$10 processing fee. If you cancel after the deadline, you will not qualify for a refund.

No refunds or credits will be issued for one-time programs unless request is received at least three business days in advance. Once a class begins, no refunds will be given. A \$25 fee will be assessed for returned checks.

Please Note: The refund policy applies to all classes unless otherwise noted in the class description.
